Group Discussion on Amos

1. **Wake-up Calls:** Have you ever experienced a situation that served as a wake-up call and caused you to rethink your priorities or make a change? What did it reveal to you?

2. **The Plumb Line – God's Standard:** In Amos 7:7–8, God uses a plumb line to show that His standard doesn't shift to accommodate how people choose to live. What are some ways we can be tempted to adjust God's standards to fit our own preferences or lifestyles?

3. In Amos, God challenges people who were faithfully participating in religious activities but not living out His heart for justice and righteousness. Are you the same person at church as you are the rest of the week? What do you think it looks like to worship God with our lives, not Sunday routines?

4. **The River – God's Heart:** "Let justice roll on like a river, righteousness like a never-failing stream" (Amos 5:24). Where do you see opportunities in everyday life to stand up for what's right, treat people with dignity, or show God's love in practical ways?

5. **The Kingdom – God's Restoration:** Amos 9:11 points to God's promise to rebuild what has fallen. How does knowing that God's heart is restoration, not simply condemnation, encourage you? Is there an area of your life where you need to let God realign your heart with His?

Prayer

Jesus, thank You for Your heart of justice, righteousness, and restoration, and for always desiring to draw us closer to You. No matter what happens in the world or in my life, I acknowledge that you are King. I want to get my heart and life aligned with you so that if the foundations crumble, I still live as though You are King. May Your goodness overflow through our lives like a never-failing river, bringing hope, healing, and restoration to the people around us. Amen.
