

## CENTRAL YOUTH MOVEMENT – OUR COVID-19 RESPONSE

We know that this year has not been easy for anyone. We are excited to meet again and would love to answer any questions you may have about safety precautions we are taking this year. While we have government guidelines to follow, we want to provide in-person gatherings because we believe that we need to be connected to God. We also want to create a space for students to connect to each other. Here are some ways we are making this happen.

1. Students will register online weekly

2. Students will be required to do a COVID-19 screening weekly (as per [Niagara Region Health Department](#)) before attending in person. If students cannot meet the screening criteria they will be unable to attend in person, however they are welcome to join and watch online (IG @centrallyouthmovement).
3. Leaders will also go through the screening process.
4. We will be providing sanitizing stations throughout the building for students and leaders to use.
5. All students and leaders must wear a mask while attending in person gatherings as per [Niagara Region Bylaw](#).
6. We will only be offering prepackaged food during youth events.
7. All social distancing guidelines will be followed at youth events. (ie, 2metres apart, staggered seating in the main auditorium.)
8. We will be outside whenever possible.
9. All high touch surfaces will be cleaned throughout the night.
10. Washroom capacity will be limited to one person at a time.
11. Youth games and activities will be done with physical distancing.
